

REMARKS/ARGUMENTS

Claim Objections

The Examiner has objected to claims 1, 5, 17 and 18 for use of reference characters without parentheses. Applicant has amended these claims (in addition to claim 15 which also was missing parentheses around a reference character).

CONCLUSION

Applicant has ordered certified copies of the Australian Patent document to which the instant application claims priority. When the certified priority document arrives, it will be forwarded immediately to the USPTO. As all matters have been attended to with respect to this Quayle action, a Notice of Allowance is earnestly solicited.

Respectfully submitted,
Dalina Law Group, P.C.
